Graham is pleased to announce our Earth Door™ Series of architectural flush wood doors. Earth Doors™ are available with particleboard, agrifiber, mineral, stave lumber, and engineered composite cores. They can be specified per Graham Premium and Custom Door constructions, including options for fire ratings and FSC certification. The best door for green building, Graham Earth Doors™ also contribute to many LEED credits.

Enclosed:

- Tech Data Sheets (FSC-specific)
- Frequently Asked Questions

Order acceptance:

We can accept orders immediately, with a 3-6 week lead time

How to order:

Simply indicate on your quote request and order which LEED credit the project strategy plans for the wood doors to contribute toward. If multiple credits are needed, prioritization will help us provide you with the best door for your project.

How to identify a Graham FSC door:

Graham FSC certified doors will come with an FSC certified label on the hinge or top side of the door. The invoice and bill of lading will also contain FSC chain of custody information

Your Graham customer service team is available to answer any questions.

Please distribute to everyone in your organization that specifies or purchases Graham Wood Doors.
